

## *What is a School-Parent Compact?*

A School-Parent Compact is a jointly developed agreement with parents. The compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and how they will work together as partners to make sure all students reach grade-level standards.

Effective compacts:

- Link to goals of the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies that parents can do at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

## *Jointly Developed*

Together, the parents, students and staff of Rehoboth Road Middle developed this School-Parent Compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year in the spring to review the compact and make changes based on student needs and school improvement goals. Parents are encouraged to attend and are welcome to contribute comments or suggestions at any time. Parents are also encouraged to participate in the annual Title I parent survey that is used as a tool to collect parent feedback regarding current Title I programs and policies.

If you would like to volunteer, participate and/or give feedback, please contact Laura Jordan at 770-229-3727, at [laura.jordan@gscs.org](mailto:laura.jordan@gscs.org), or in person at 1500 Rehoboth Road, Griffin GA 30224.

## *Activities to Build Partnerships*

- Open House
- Curriculum Night
- Parent Workshops
- Co-sponsored Events
- Parent Teacher Organization (PTO)
- Academic Nights
- Family Fun Nights

## *Communication about Student Learning*

Rehoboth Road Middle School is committed to providing frequent two-way communication with families about student learning through the following methods:

- Open House
- Curriculum Night
- Teacher Webpages
- Parent-Teacher Conferences
- Infinite Campus Parent Portal

## *Our Goals for Student Achievement*

### *District Goals*

- Increase by 5% the number of students scoring within or above the Lexile stretch band as measured by the 2019 Georgia Milestones Assessment
- Increase by 5% the number of students performing at or above proficiency in math as measured by the 2019 Georgia Milestones Assessment
- Increase by 5% the number of students performing at or above proficiency in science as measured by the 2019 Georgia Milestones Assessment

### *School Goals and Focus Areas*

- Students will increase by 5% (combined proficient and distinguished) in ELA on the Spring 2019 Georgia Milestones Assessment
- Students will increase by 5% (combined proficient and distinguished) in math on the Spring 2019 Georgia Milestones Assessment

## *Teachers, Parents, and Students—Together for Success*

### *Teacher/School Responsibilities:*

- Use evidence-based strategies for reading and writing in the classroom and share these with parents online or face to face meetings
- Schedule parent-teacher conferences to inform parents of their child's academic progress and share resources with families
- Provide examples of math problems for students to share with parents at home
- Provide literacy resources in the monthly newsletter

### *Family Responsibilities:*

- Work with their student on reading and writing using the evidence-based strategies
- Attend parent-teacher conferences and use resources at home
- Work with your student on math problems using the examples sent by the teacher
- Use the resources in the monthly newsletter with your student

### *Student Responsibilities:*

- Share reading and writing strategies with your parents
- Inform your parents of parent-teacher conferences and use the resources at home from the conference
- Work with your parents on math problems using the examples sent by your teacher
- Use the resources in the newsletter with your family
