Students will complete Government Color by Number Review and color by number Economics Color by Number Review.</p>

Connections	
Reading Support Mr. Cavender	Free read anything, except social media, for at least 15 minutes!
Math Support Ms. Haven	Practice multiplication facts (1-12) for 15 minutes.
Band Mr. Little	Work on learning the concert Bb scale, improving double stroke / single strokes/4-strokes/5- stroke / buzz stroke rudiments and learning these songs that have been placed in canvas (Let's go and We will rock you).
PE Ms. Johnson Mr. East	2 minute static stretch, 2 minute dynamic exercise, 1 minute cardio Review basic rules of soccer (use a google search) https://meet.google.com/txz-bzeu-mtq
Art Mr. Mays	Students will make a sketch using a ruler or any other straight edge device . Ex. You can use the edge of an envelope or paper or book or other if you do not have a ruler nearby.
Engineering & Technology Mr. Moody	Students will research/revisit Roll, Pitch, and yaw videos of their choice on Youtube.
Computer Science Ms. Springer	Think about what you still need to do to complete your LEGO Robot. Check out the info I provided in Canvas for your particular Challenge. Remember the robot needs to be able to perform all the Missions in your Challenge!
